Raintag Long Range Reader

Key Features:

- Reading Range Of Up To 5 Meters
- Adjustable Reading Range
- High Immunity To Noise
- Integrated Antenna
- Wireless Communication Design For Retrofitting
- Long Battery Life (Replaceable)
- Low Operating Frequency
- Better Penetration Through Vehicle's Window Tinting

Specifications:

	RS-5M-W (Standard Reader)
Operating Frequency	125kHz
Interface	Wiegand 26/37/44 bits, RS232
Power	11-14VDC
Indicator	Red, Green, Yellow, Beeper
Reading Distance	2 - 5 meters (adjustable)
Response Time	200ms
Environment Rating	IP 65
Dimensions / Weight	250 x 160 x 58mm / 0.5kg

	RS-5M-CW (Reader with built-in controller)
Card Holder Capacity	10,000
Transactions	30,000
Communication	IEEE802.15.4 / Wireless 2.45Ghz/TCP/IP/RS232/485
Anti-Passback	YES with Multiple IN / OUTs
Management Software	Integrated with LATTICE ACS
